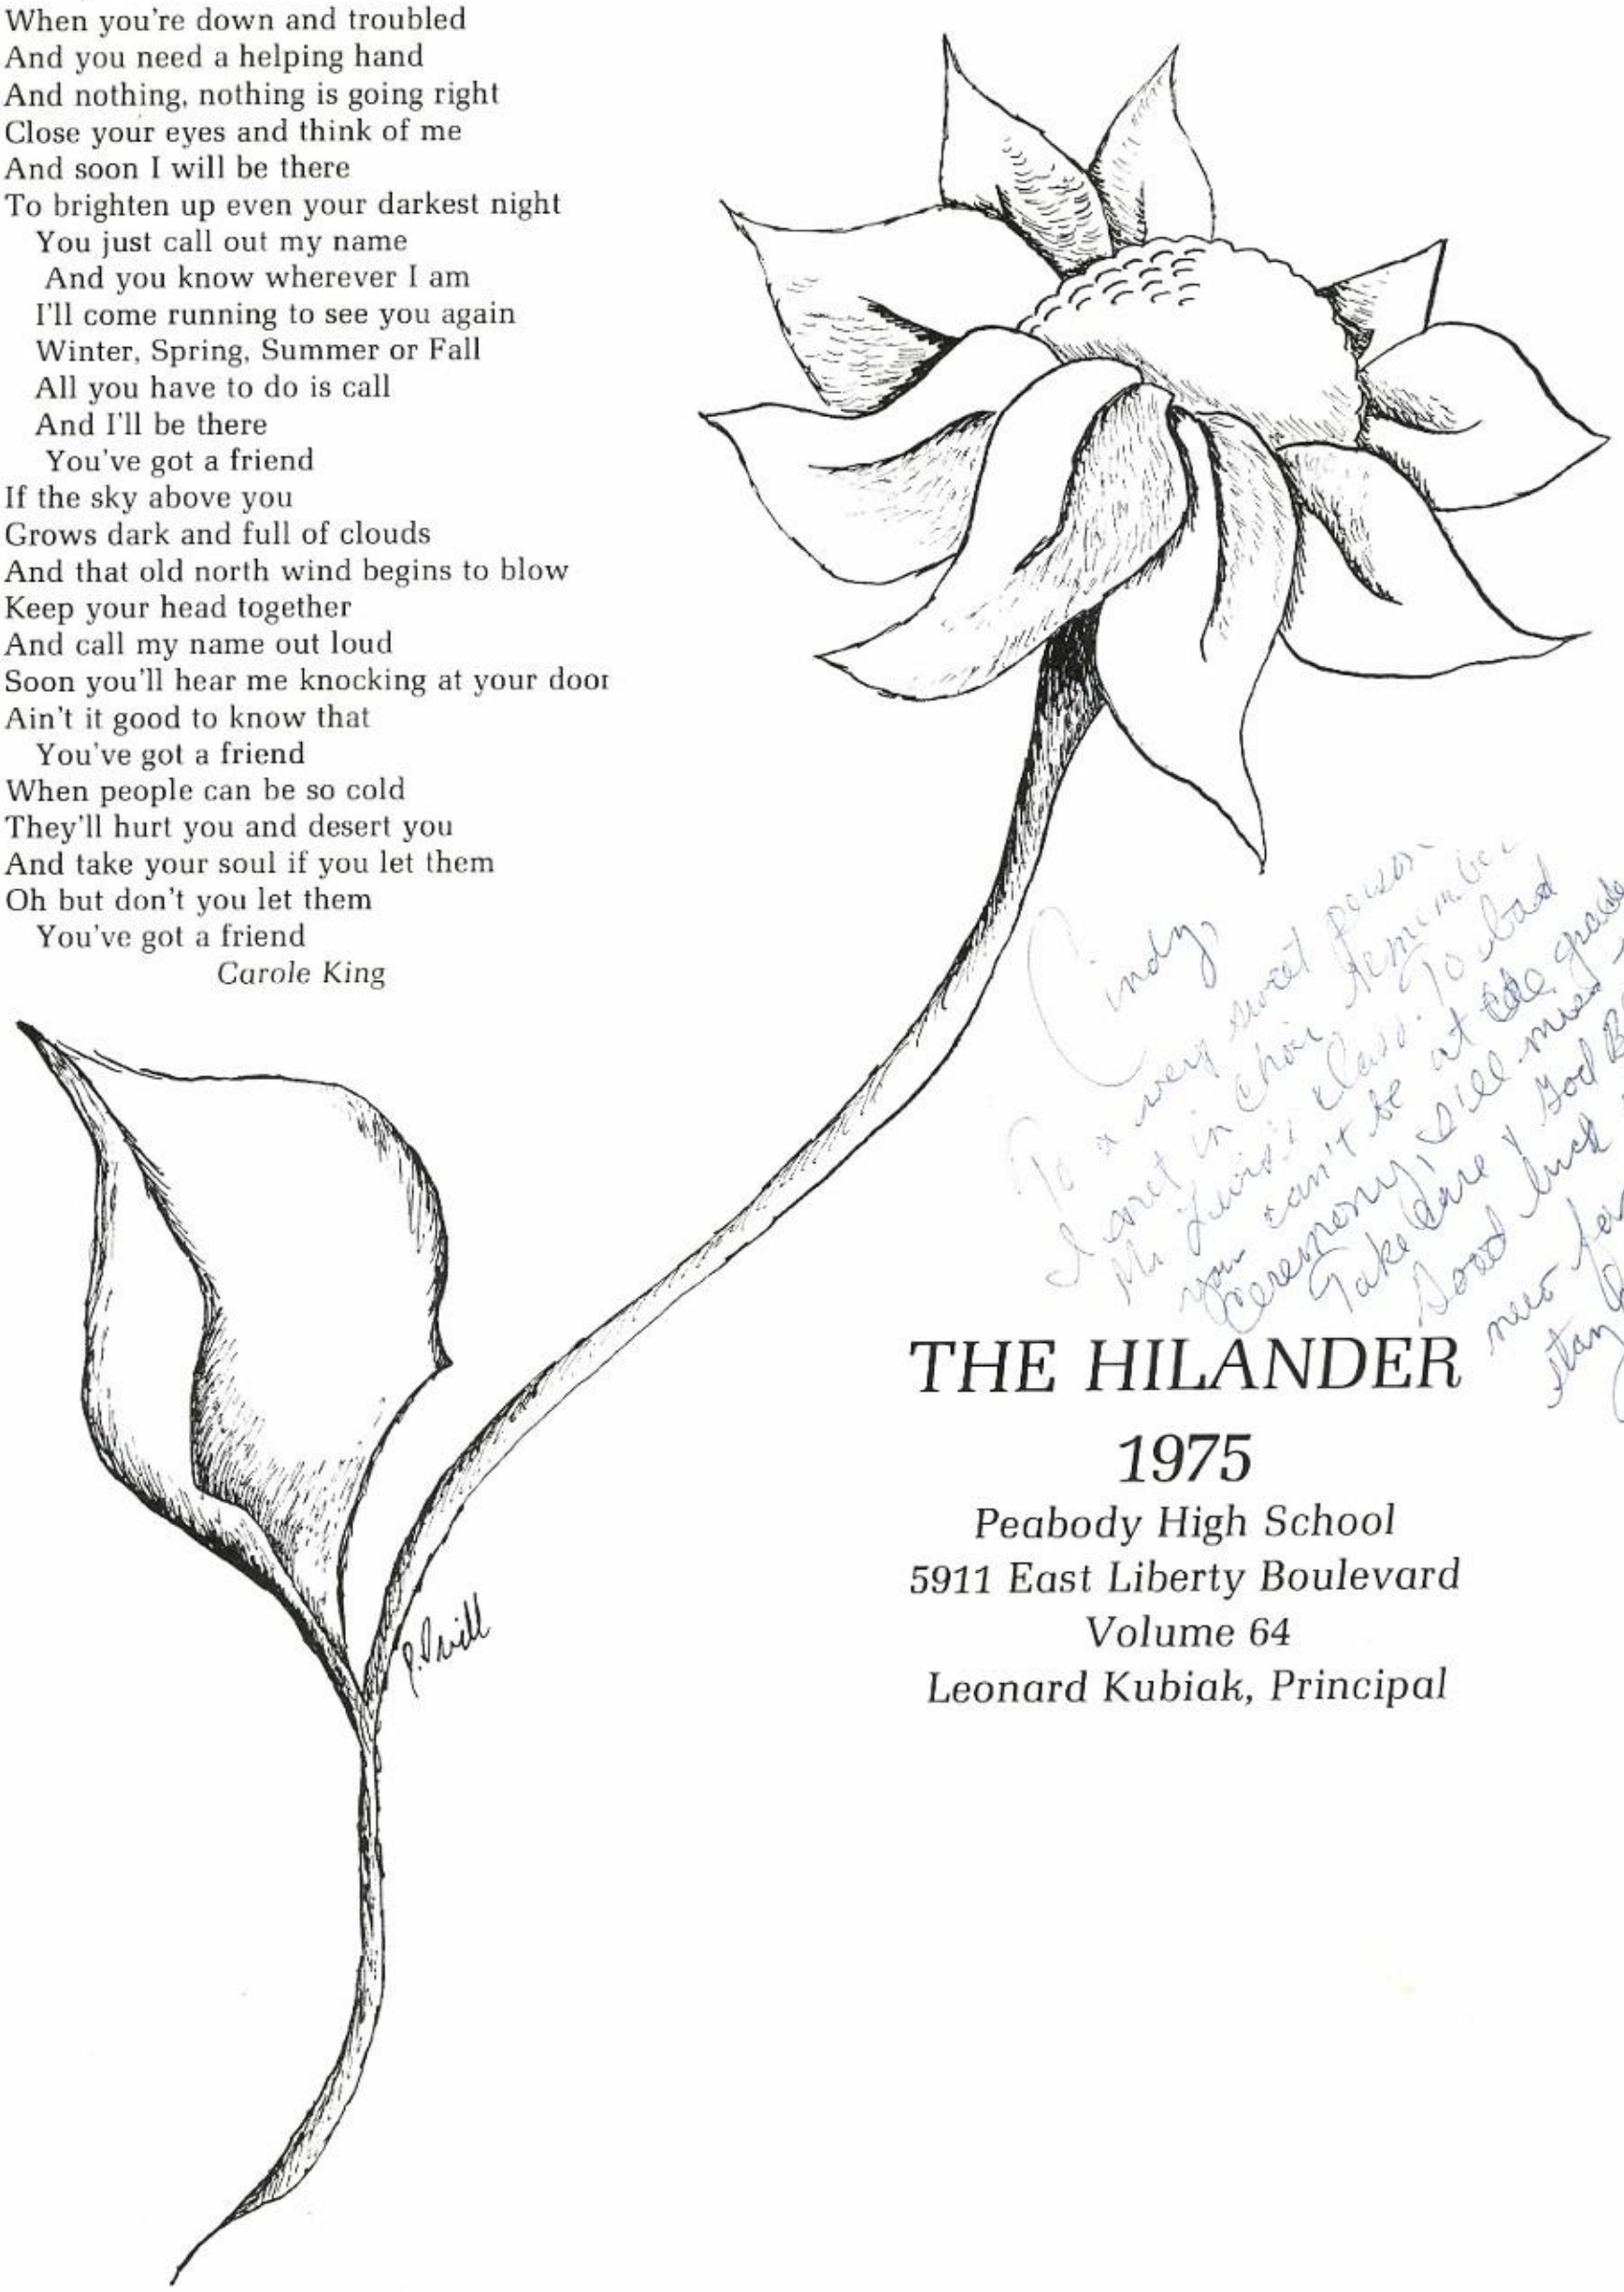
Tony

When you're down and troubled
And you need a helping hand
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night
You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, Spring, Summer or Fall
All you have to do is call
And I'll be there
You've got a friend
If the sky above you
Grows dark and full of clouds
And that old north wind begins to blow
Keep your head together
And call my name out loud
Soon you'll hear me knocking at your door
Ain't it good to know that
You've got a friend
When people can be so cold
They'll hurt you and desert you
And take your soul if you let them
Oh but don't you let them
You've got a friend

Carole King



Cindy
It was very sweet of you to be a part in choir for Mr. Lewis' class. To bad you can't be at the graduation ceremony, I'll miss you. Take care & God Bless. Good luck with your new family, and stay happy.
Love ya

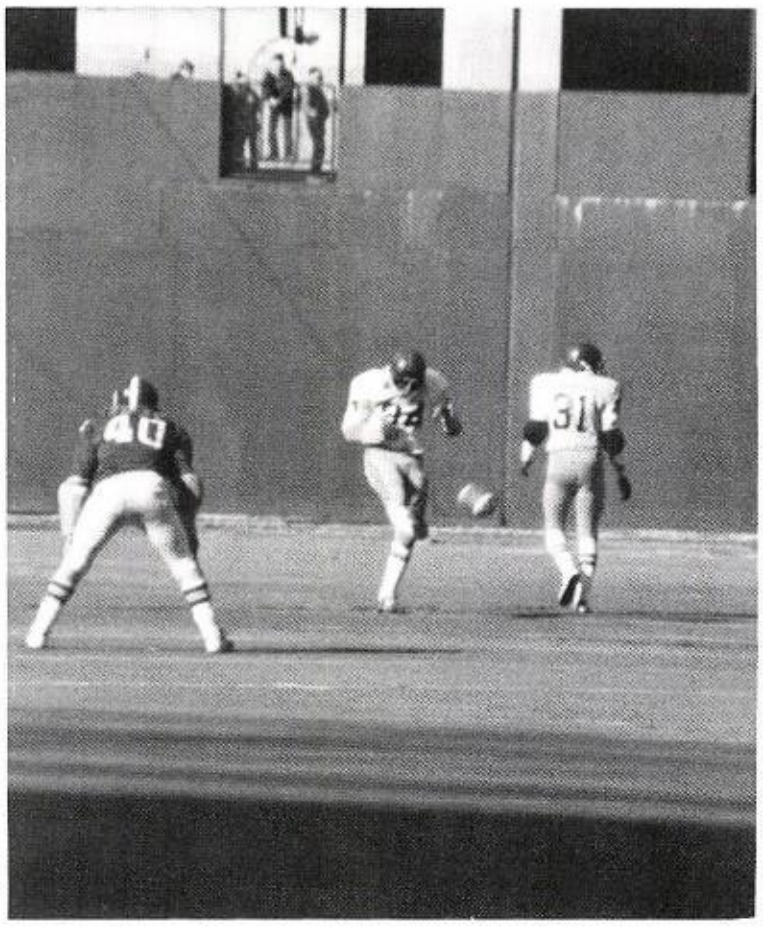
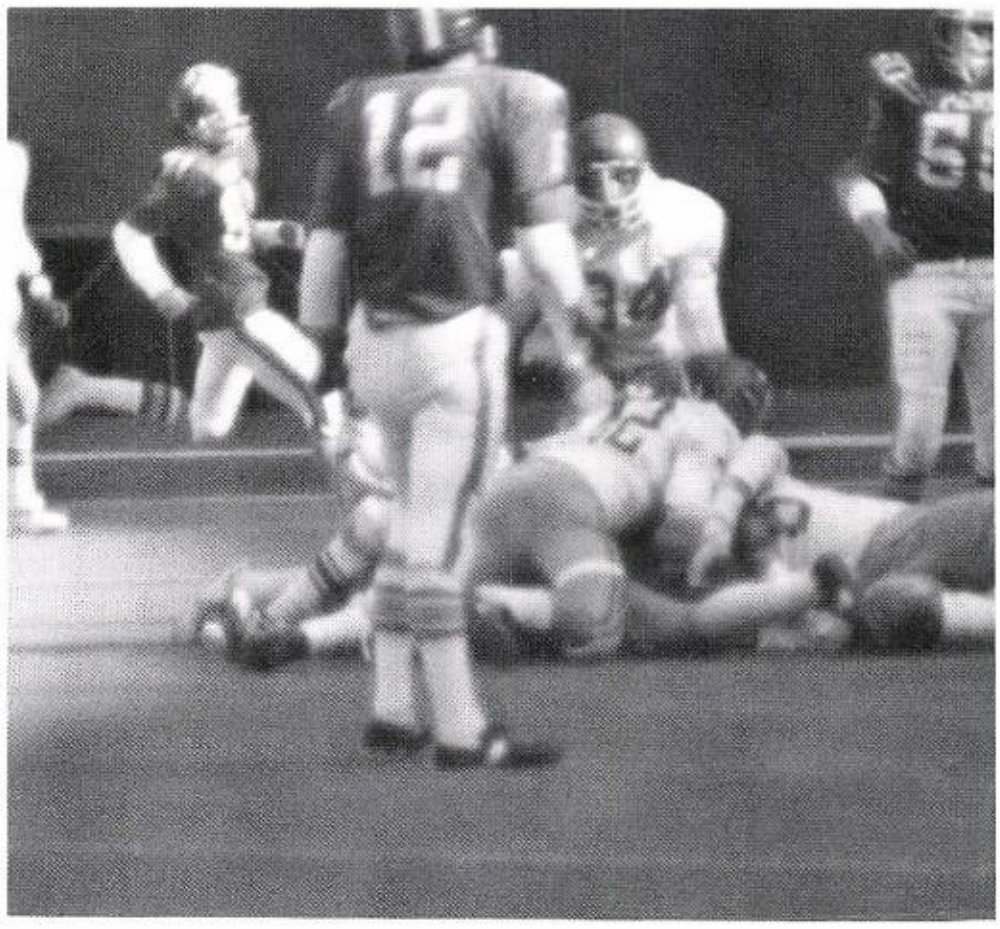
WINTER, SPRING, SUMMER, AND FALL

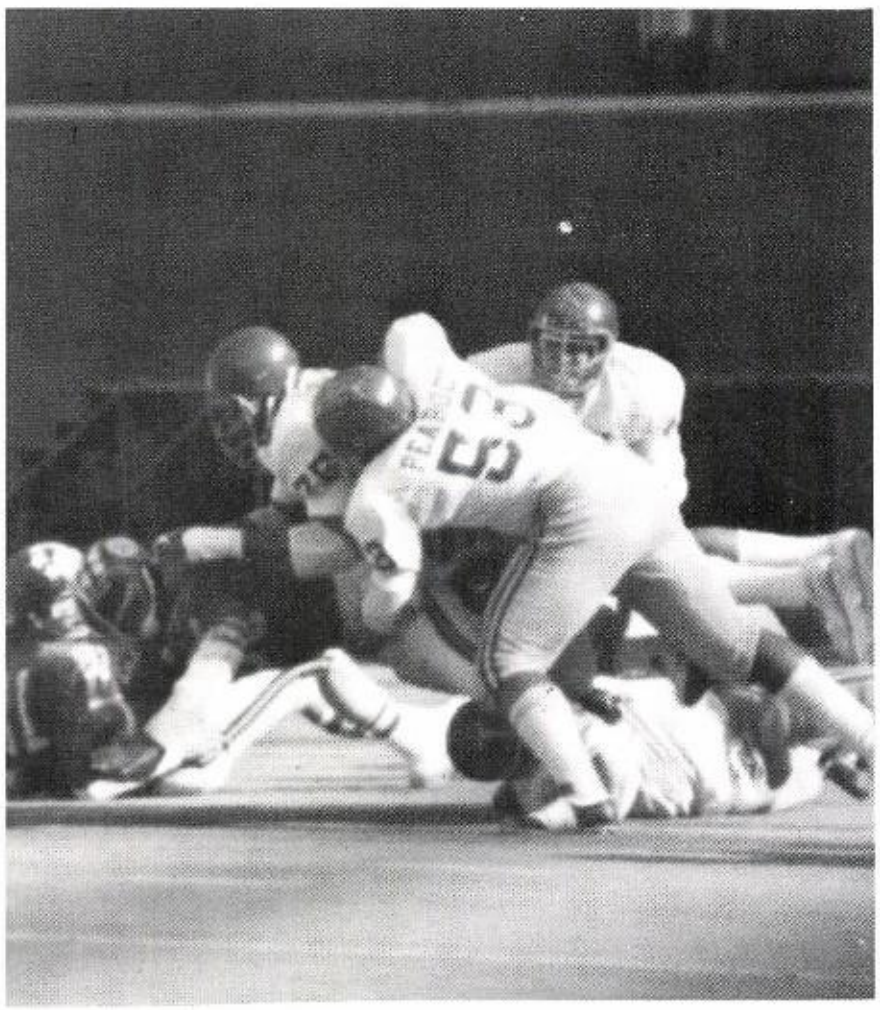
THE YEAR OF THE CHAMPION



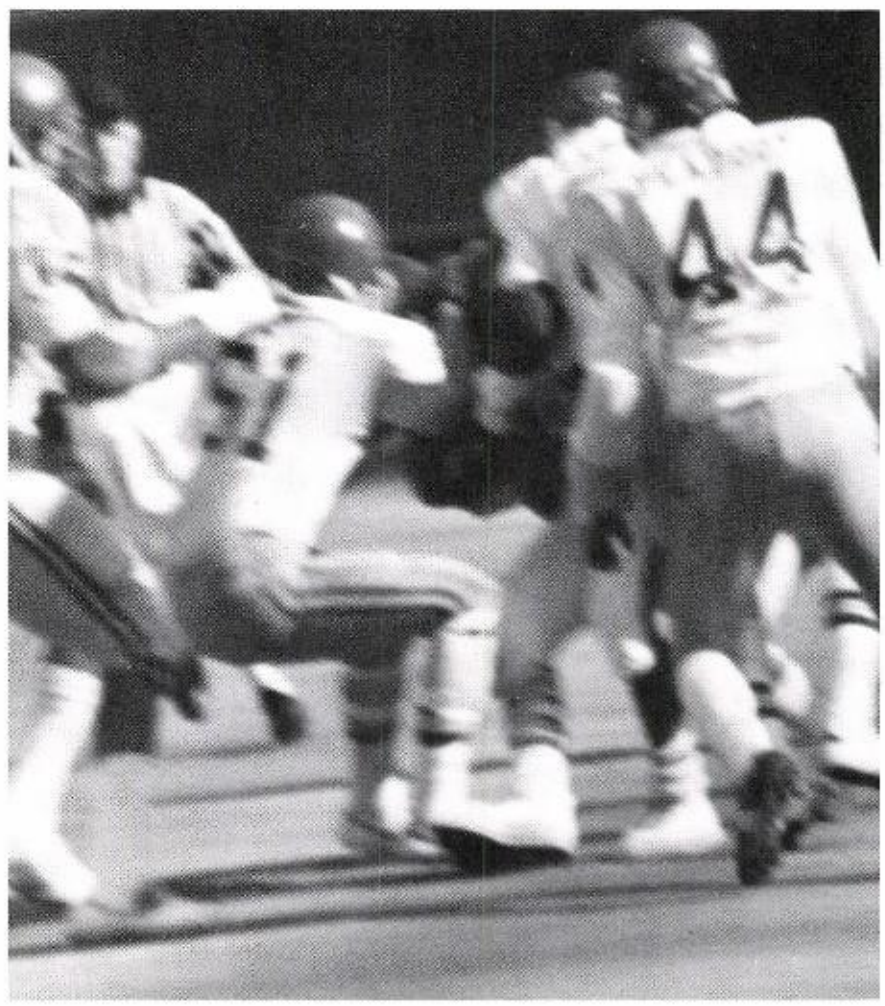
Getting off on the right foot!



Floyd and Logan do it again!



Peabody's on top!



The Red Machine is so darn mean!

Peabody Converts All Non-Believers

The team nobody believed in is now the City League football champion—Peabody.

It took the entire season, plus a playoff, for the Highlanders to merge as the best team in the City.

Peabody's 9-0 Highlanders completed a "perfect" season with a stunning 20-0 victory over defending champion Perry last Saturday at Three Rivers Stadium.

The only blemish on Peabody's otherwise "perfect" mark was a 32-6 loss to Westinghouse that was later reversed when Westinghouse had to forfeit because it used an ineligible player.

"We never doubted for a minute that we had the best team," said Peabody Coach Joe Hnath. "It was you guys, the newspapermen, who kept saying that we weren't as good as the others."

The others were South, an early-season choice, Perry and Westinghouse.

"We just had to sit back and wait for our chance," said Hnath, "apparently nobody wanted to believe in us." us."

Did Peabody back into the playoffs because of the loss-reversal to Westinghouse?

"I don't think so," said Hnath. "We belonged. I think we proved ourselves."

It had been a season of turmoil for Hnath and his Highlanders.

Before it had even started, Hnath was without his best all-around player, Elliott Prunty, who was scholastically ineligible for Peabody's first three games. Then Dewayne Adams, considered Peabody's top back, hurt his leg and missed a few games.

Prunty came back, so did Adams and so did Peabody. Prunty, a converted All-City quarterback, became Peabody's leading rusher and best halfback-option passer, while Adams added his skills to the offense.

"Give all the kids credit," said Hnath. "This team deserved it."

Against Perry, Adams scored the first touchdown on a 10-yard run, Prunty added the second on a one-yard plunge, and Tony McElroy, possibly the finest end in the City, closed out the scoring with a nifty halfback-pass from tiny Lareese Ashley.

All in all, Peabody made a few believers out of a lot of disbelievers.

Our 1974 Cross Country team, with the coaching of Tim Landers, accomplished something that many people thought was impossible – they won the City Title. Through a season of difficult training, often running up to six miles a day, six days a week, our team built themselves to a team of championship power. After the loss of some seniors last year, Peabody was considered to be weak in back-up, but we came, we saw, we conquered. After winning the City Championship, we were eligible to compete in the State Championship. We did not run due to a mix-up in scheduling. The full capabilities of our team will be seen in 1975.

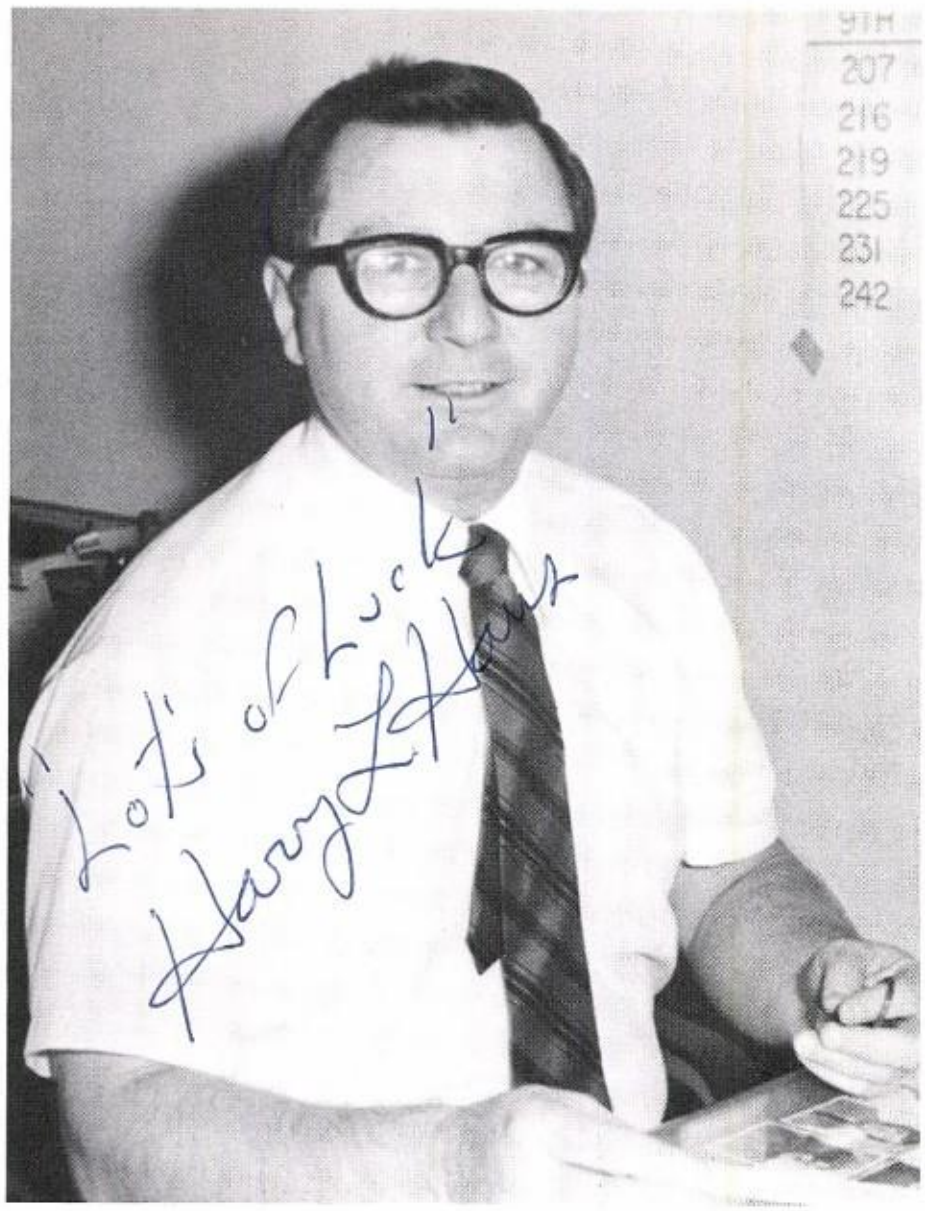
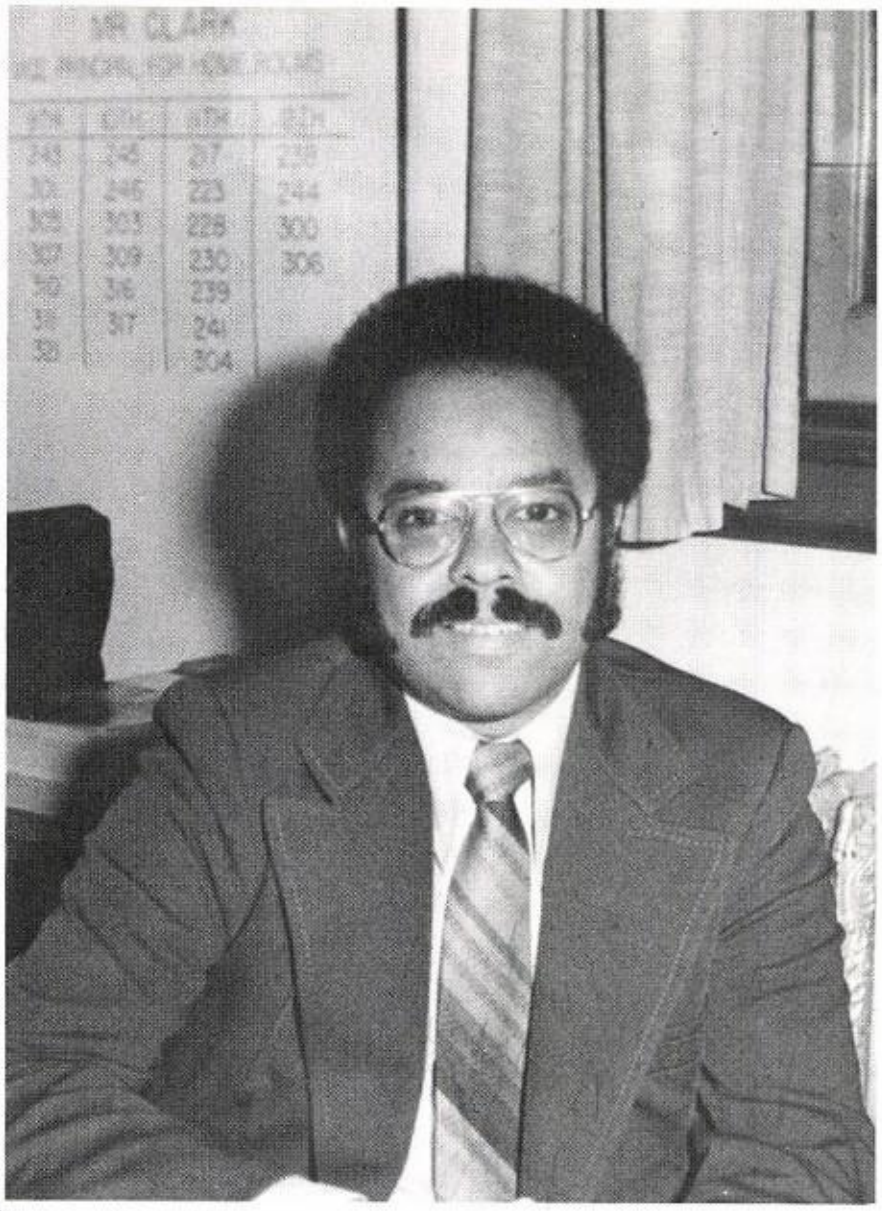
WHEN YOU'RE DOWN AND TROUBLED AND YOU NEED A HELPING HAND

One of man's fundamental needs is approval and acceptance by others. This is the primary joy of life. We hope that you have found this approval and friend-ship at Peabody and that you will continue to bestow your love and affection on those whom you come in contact with in the adult world.

Leonard Kubiak



Mr. Harry L. Haus



Mr. Harry D. Clark

Dear Cindy, Best of luck to you and your future plans. I'm sure you'll be happy.
Remember
Harry D. Clark
1975

The old adage:

"Do unto others as you would have others do unto you." It is still applicable today.

Harry L. Haus

The friendship I have shared with so many students at Peabody is something I will treasure and hold dear to my heart.

I have had new dimensions added to my life by sharing such a friendship.

May the class of 1975 go their seperate ways in life with one common bond – the ability to spread a very valuable commodity – friendship.

Harry D. Clark

As you leave to go your various ways in life, happily you will remember your years at Peabody as friendly and profitable ones.

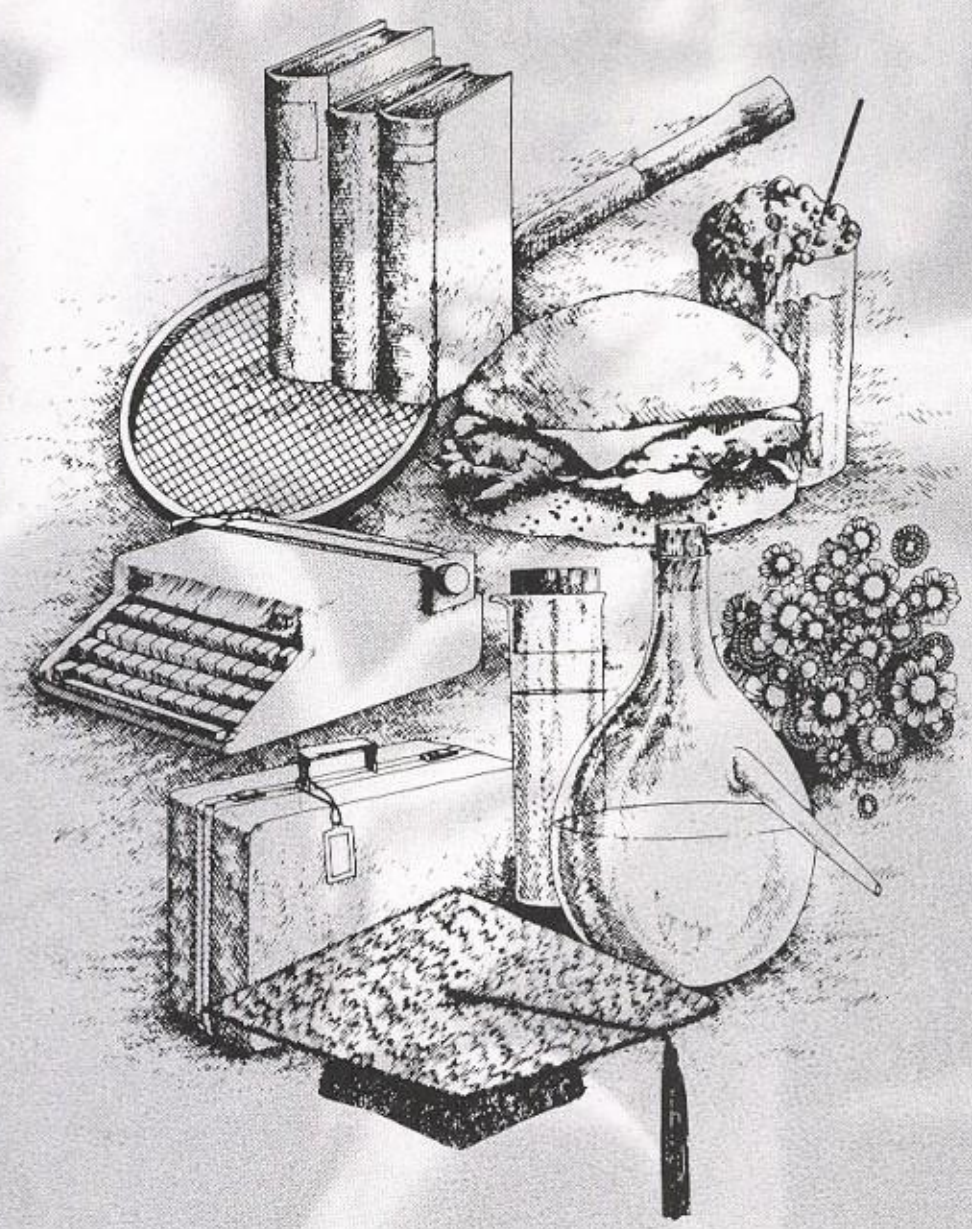
WHILE YOU WAIT



No two futures are exactly alike.

Success is many things to many people. Often it's measured in dollars, but most often its found in contentment . . . with what you're doing, who you know, and how you can help others. Whatever your success, your most important asset will be yourself. So that the true measure of success is your willingness to be you.

Is there life after high school?

"Congratulations," they said. "This isn't the end . . . it's just the beginning." They've said it a thousand times at a thousand graduations. While many young people just like you sat there thinking, "Where do I go from here?"

Where *do* you go for challenge? And Opportunity?

Be someone special. Join the Navy.
